

PART 'A'

In your own words.

Westerling  
NORTH ADELAIDE

## In your own words...

Recently we held Information and Feedback Sessions and invited members of the community to join us, providing an opportunity to learn more and hear ideas and insights around design and services, features, amenities and priorities.

We were thrilled that so many participants rated the appeal of Westering North Adelaide 10/10. Of those participants who responded to our survey we received an overall score of 9/10 for the appeal of Westering North Adelaide. Leaving us some room for improvement.

9/10

## This is what you've told us.

76%

told us that you are considering retirement living because you wish to have low or no maintenance worries.

72%

are considering retirement living because you want to stay independent and connected to your friends and family.

‘

*No maintenance. No gardening.  
Social activities. Gym + health + fitness.*

’

SESSION PARTICIPANT

That's great news for us as Westering promises the ultimate in **quality, style, comfort and location** for the North Adelaide retirement community and will enable residents to live their best lives. In our commitment to ensure you have no maintenance worries, we are considering various accessible amenities to appeal to your greatest interests and comforts.

55% of you said that security is of high importance among your considerations for retirement living. At Westering, we understand that a secure living environment within a contained community is paramount for our future residents. We intend to ensure that you can live in an environment where attractive amenities and features don't compromise your safety and security.

*Location and possibilities for independence but  
secure living in an attractive environment.*

SESSION PARTICIPANT

50%

of you told us that you  
are members of  
community groups.

These included sporting clubs, church congregations, choirs, Probus clubs and more. Westering is dedicated to promoting an active community by ensuring that you have the free time to spend as you wish, with less time spent on maintenance concerns.

We think Westering North Adelaide will be a wonderful place for over 60s in our community to thrive. But don't take our word for it...

*A new well-thought-out plan involving the community.*

---

*The opportunity to be involved in the initial planning. The ability it offers to live in North Adelaide with security.*

---

*It seems a lot of thought has gone into lots of different ways of living. Well done! I have lived at Wellington Sq for the past 17 years and would really love to stay in the area close to facilities I love and enjoy. The security at Westering is really important for me as I live alone.*

SESSION PARTICIPANTS

# Thank you.

We would like to thank you again for your participation in our Information and Feedback Sessions, your vital input will allow us to ensure that future residents of Westering can enjoy their independent North Adelaide retirement in a low maintenance, community driven environment and lifestyle that's a perfect 10/10.

*I have had great respect for Helping Hand over many years as my great aunt lived in Buxton Lodge, the nursing home over 15 years, loved it! My parents were both volunteers at Helping Hand, I know it to be an organisation of care and integrity.*

---

*Close to home, and  
Helping Hand's reputation.*
