

PART 'E'

The services that make your
retirement easier.

Westerling
NORTH ADELAIDE

That little bit extra...

At Westering North Adelaide, we want to ensure that you have access to all the services that make your life that little bit easier. This is why your feedback has been so important – to ensure that future residents can truly make the most of their retirement. We believe that access to these extra services will allow you to retain autonomy, while also enjoying the social and recreational benefits of retirement.

Within our questionnaire we asked what kind of 'pay as you go' services you would like access to at Westering North Adelaide. These extra services range from housekeeping, regular household cleaning and linen services, as well as more specific health services.

This is what you've told us is important.

Not surprisingly, general maintenance and cleaning services were highly favoured by our respondents. After all, who wants to spend their time cleaning, or hanging pictures on walls?

Waste and garbage collection received a score of 4.5/5, ensuring a clean and hassle free environment.

4.5/5

Window cleaning inside and out received scores of 4.4/5 in terms of importance, so that you can enjoy the best of your light and bright apartment.

4.4/5

Spring cleaning received a score of 3.9/5.

3.9/5

General and regular household cleaning received a score of 3.9/5.

3.9/5

This greatly informs our planning for this wonderful North Adelaide retirement development. We understand that cleaning is often a time-consuming task, therefore our consideration of household maintenance and cleaning services will be planned to ensure you can enjoy your retirement without the worry of endless chores.

Health and transport services scored well. We understand that these services would contribute to your peace of mind, access and safety within and around the planned community.

Bus transport received a score of 3.7/5, highlighting its convenience for commuters who can relax and enjoy a cup of coffee with a friend, without the hassle of finding parking or dealing with traffic.

3.7/5

We're all conscious of our health and that's why wellness checks were also important with a score of 3.6/5.

3.6/5

At Westering North Adelaide, we want to ensure that the extra services we offer enhance your ability to live independently. We are committed to creating an environment where you can enjoy a high quality of life, free from unnecessary restrictions and excessive maintenance.

Our focus is on providing the support you need to live comfortably, socially, and securely. Whether it's through personalised maintenance and health services or practical assistance, we aim to foster a sense of community and peace of mind, allowing you to fully embrace your retirement years with confidence and ease.

‘

Independent living, access to shared services and amenities, and a self-contained community are highly appealing aspects of the Westering North Adelaide plans.
