may be the right choice for you.

Westering
NORTH ADELAIDE

Happy New Year!

As we say goodbye to 2024 and embrace the new year, we want to say thank you to our wonderful community for your interest in this amazing North Adelaide retirement living development. We hope that the Westering North Adelaide precinct allows you to make the most of your retirement living lifestyle. We want your transition into an independent, caring community of likeminded people to be as seamless as possible. That is why we have dedicated this Part B to your understanding of the retirement living lifestyle and North Adelaide location.

Retirement living can often be confused with aged care or assisted living facilities. The main difference is in a retirement living home, you are in control of your lifestyle, independence and care and support services. All of which remain entirely your choice.

During our Information and Feedback sessions, we gathered valuable feedback regarding your current lifestyle, as well as priorities for your future retirement living environment.
